ABOUT NSO GROUP

NSO Group is a leading technology developer that licenses software solutions to governments and law enforcement agencies to investigate and prevent terror acts, fight crime and increase public safety.

NSO’s products have been successfully used to:

- Prevent terrorism, including gun violence, car bombs, and suicide bombers at transportation hubs, public parks, markets, concert venues, sports arenas, and other public areas
- Break up paedophile, sex- and drug-trafficking rings, and money-laundering operations
- Find and rescue kidnapped children
- Assist emergency search-and-rescue (SAR) teams in locating survivors trapped under collapsed buildings in the wake of natural disasters or construction failures
