UAE – eastern Libya airlift continues

by itamiradar – March 31, 2020 in Other air forces

The airlift between UAE and eastern Libya continues.

You can see in the picture above the situation this afternoon at 14:00 CET: while an **Ilyushin Il-76TD** was flying westbound over northern Egypt another **Ilyushin Il-76TD (UR-CIF)**, probably departed from Benghazi or Benina was flying in the opposite direction.

The nature of these flights is unknown.
