We're pleased to announce that NSO Group has recently joined the Commercial Drone Alliance (CDA) and the Global UTM Association (GUTMA)! The new membership in each association will advance our efforts in supporting the adoption of drone technology to protect the public's welfare and make the world a safer place.

Yesterday, in honor of [#InternationalDogDay](#), current and prospective dog owners at NSO Group had the unique opportunity to hear from the veterinarian, Tal Tshuva Mizrahi, and the dog trainer, Roi Bar Dayan, about the best ways to care the dog's basic needs. We discussed a wide range of dog care topics, including communication, vaccinations, house training, suitable food, etc.  
Thanks to Tal Tshuva Mizrahi and Roi Bar Dayan, our team has learned from the experts! 🐾🐾🐾
