From 2018-2019, 1,350 Christians were killed in Nigeria—45% of all Christians killed worldwide that year.

In the first 6 months of 2020, 1,202 Nigerian Christians have been killed. How much longer must we wait for global leaders to take action, @StateDept @SecPompeo @WhiteHouse?

According to @OpenDoors' 2020 World Watch List, Nigeria ranks No. 1 in Christians killed for their faith. As the persecution of Christians in Nigeria continues to worsen, I urge the @StateDept to appoint a special envoy to protect these innocent children, women and men!
