Last week, a 14-year-old girl and 3 others were kidnapped by Fulani extremists in Nigeria. @persecutionnews stresses that this targeted attack displays "there are groups still in the state that wish to harm the church and its leaders." Where is @StateIRF?

1,350 Christians in Nigeria were killed for their faith from 2018-2019— 45% of Christians murdered worldwide. As the situation in Nigeria continues to deteriorate, @StateIRF and global leaders must end this persecution of innocent men, women and children!
