UK lawmakers recently wrote @commonwealthsec @PScotlandCSG on Nigeria's "failure to protect its citizens," noting "a clear breach of its obligations under the Commonwealth Charter in respect of human rights." Nigeria needs international intervention now!

Last month, @BenjaminSWatson, @TulsiGabbard and other leaders called on Americans to "join our voices against the systematic slaughter of Christians" in Nigeria.

America cannot continue to turn a blind eye to the genocide unfolding in Nigeria, @StateIRF!

"What happened at Lekki Toll Gate has all the traits of the Nigerian authorities' pattern of a cover-up whenever their defence and security forces commit unlawful killings."

We demand answers from the Nigerian government! #LekkiMassacre #EndSARS

ICYMI: Nigeria's Information Minister Lai Mohammed told a panel at the National Assembly that the Buhari regime is looking to impose "some form of regulation" on social media. These are the actions of a dictatorship! #EndSARS <https://buff.ly/3kH0hGn>

A new investigative timeline has been published by @amnesty on the #LekkiMassacre, where at least 10 peaceful protestors in #Nigeria were shot dead. It's time to hold the Nigerian Army and Buhari regime accountable, @StateDept @SecPompeo! #EndSARS <https://buff.ly/2H0hj6B>

Thank you, @CSI_humanrights, for calling on the @UN to fulfill its obligations under the 1948 Genocide Convention and take action against the slaughter of innocent Christians in Nigeria! The international community has turned a blind eye for far too long! <https://buff.ly/3jFppfg>

"Violence related to the SARS protests and other police brutality is jelling with violence in other areas of Nigeria from militant Fulani herdsmen and Boko Haram terrorists."

@StateDept— Nigeria's reached a tipping point! ACT NOW against Buhari's regime!

Nigeria ranks No. 1 in the world in the number of Christians killed for their faith. The Buhari regime has failed to protect innocent Christians. Will @StateIRF take action and live up to its mission of promoting religious freedom around the world? <https://buff.ly/3jAMi9T>
