January 1- January 31, 2021

At last month's @TLHumanRights congressional hearing, @RepChrisSmith warned that the ongoing slaughter of innocent Christians across #Nigeria "is a genocide that's happening right before our eyes." @StateDept @StateIRF @SecPompeo <https://buff.ly/35ekL3l>

"The country is being taken over by the caliphate."

A new report released by the International Society for Civil Liberties finds that at least 2,200 Christians were killed by Islamist extremists in #Nigeria in 2020. @StateDept @StateIRF @SecPompeo <https://buff.ly/38ehNOu>

"Whether the Fulani are violent criminals or jihadi terrorists...there is one indisputable fact...The Nigerian government is failing to stop the bloodshed, and the determined apathy of the international community is aiding and abetting their indifference." <https://buff.ly/3bf6XJM>

RISING PERSECUTION: The @OpenDoors 2021 #WorldWatchList reveals that in #Nigeria, more than "2,200 Christians were murdered by radical Islamists" — nearly "half of the 4,761 Christians killed for their faith worldwide in 2020. @StateDept @StateIRF <https://buff.ly/3spxaLL>

Last month's @TLHumanRights hearing and @StateDept's designation of Nigeria as a "Country of Particular Concern" for violations of religious freedom are steps in the right direction, but more must be done to end the violence against Christians in #Nigeria! <https://buff.ly/35dtFOG>
