**NCRI to Reveal New Nuclear Weapons Facility in Iran**

**WASHINGTON, DC, May 6, 2025** – The U.S. Representative Office of the National Council of Resistance of Iran (NCRI) will hold a press conference in Washington, DC, on Thursday, May 8, 2025, to reveal new information about the Iranian regime's secret nuclear facilities, which have been obtained by the People's Mojahedin Organization of Iran (PMOI/MEK) from inside the country. Media representatives and journalists who are interested to cover this important revelation, are invited to the conference.

The religious dictatorship ruling Iran is using the cover of oil and petrochemical industries to advance its missile program, aiming to develop missiles with a range of over 3,000 kilometers capable of carrying nuclear warheads.
