ARTICLE 2 SCOPE OF THE AGREEMENT

This Agreement covers the provision of lobbying and strategic communication services by LB International Solutions LLC (LB International) to ONJA, on behalf of Atempo Proje Taahhüt Ses ve Görüntü Sistemleri A.Ş., a company for which ONJA provides consultancy services. These services shall include the strategic planning, management, coordination, and execution of lobbying activities in the United States.

Within this scope, LB International shall:

- Organize and implement strategic planning and execution processes related to the lobbying activities to be carried out upon ONJA's request and establish contacts with relevant institutions and stakeholders.
- Plan, conduct, and follow up on meetings and engagements with the U.S. Department of Commerce, Bureau of Industry and Security (BIS) and all other relevant U.S. government bodies involved in export control and sanctions policy.

This includes active coordination with the End-User Review Committee (ERC) and its member agencies including the Department of Commerce (BIS), Department of Defense (DoD), Department of State (DoS), Department of Energy (DoE), and the Department of the Treasury, Office of Foreign Assets Control (OFAC), which collectively assess and determine Entity List designations and removals.

Furthermore, the plan covers outreach and communication with the U.S. Department of State, Directorate of Defense Trade Controls (DDTC), as well as members of Congress and relevant congressional committees responsible for trade, foreign affairs, and national security oversight.

These engagements are intended to ensure transparency, present Atempo's compliance progress, and support the company's formal request for review and potential removal from the Entity List.

- c. Prepare detailed reports on all meetings, discussions, and engagements, and submit periodic progress updates and briefing notes to ONJA.
- d. Coordinate the implementation of communication strategies developed throughout the process and update them upon ONJA's approval.

ONJA agrees to provide LB International with all necessary information, documentation, authorizations, and access required for the execution of the services in a timely manner.

Expected Outcomes:

The engagements described above are expected to help BIS and ERC gain a clearer understanding of Atempo's current compliance structure and operational integrity. The primary objective of these meetings is to demonstrate that Atempo poses no export control or sanctions risk and has implemented an effective compliance management system fully aligned with U.S. regulatory expectations.

These efforts are also intended to raise awareness among ERC member agencies, ensure a more efficient and expedited review process for delisting, and clarify future licensing and communication procedures with U.S. authorities.

Ultimately, the goal is to facilitate a transparent, cooperative, and fact-based evaluation process leading to Atempo's removal from the Entity List as quickly and efficiently as possible.
