

Expanded [patrols and rapid response coverage](#) in vulnerable communities and along key commercial routes

Focused, [intelligence-led operations](#) to disrupt and dismantle terrorist and criminal networks

Stronger [operational coordination](#) across federal and state security services to accelerate response and prevent attacks

The government is also advancing the [Forest Guards security initiative](#) to deny criminals sanctuary in forest corridors, under clear command-and-control, strict rules of engagement, and strong accountability.

Directed [enhanced security](#) around places of worship, including increased presence around churches on Sundays, guided by threat assessments and coordinated with local leadership.

Redeployed [Nigerian Police](#) from VIP protection nationwide, including in North Central states (i.e., Kwara, Plateau, Benue, Kogi, Nasarawa, Niger, and the FCT), to assume core policing responsibilities in these States.
