4.  The agreement between the registrant and the above-named foreign principal is a formal written contract. If this box is checked, attach a copy of the contract to this exhibit.
5.  There is no formal written contract between the registrant and the foreign principal. The agreement with the above-named foreign principal has resulted from an exchange of correspondence. If this box is checked, attach a copy of all pertinent correspondence, including a copy of any initial proposal which has been adopted by reference in such correspondence.
6.  The agreement or understanding between the registrant and the foreign principal is the result of neither a formal written contract nor an exchange of correspondence between the parties. If this box is checked, give a complete description below of the terms and conditions of the oral agreement or understanding, its duration, the fees and expenses, if any, to be received.
7. Describe fully the nature and method of performance of the above indicated agreement or understanding.

There is no formal agreement between the Assyrian Democratic Movement and the Nineveh Plain Defense Fund. However, as now required by an amendment to our By-Laws on November 29, 2017, two board members members of the Nineveh Plain Defense Fund, including the newly created position of the NPDF Liaison to the NPU that replaces the ex officio position for the Chairman of the Nineveh Plain Protection Units Political Committee, must be board members of the Assyrian Democratic Movement in Iraq. This formal requirement change was previously met, and continues to be met, by our current board membership. Yacob Yaco is a member of the Assyrian Democratic Movement's Political Bureau, and Susan Patto serves as the Chief of Staff of the Secretary General of the Assyrian Democratic Movement. Yacob Yaco now also serves the NPDF in our newly created officer position of the NPDF Liaison to the NPU. This restructuring of the relationship between the NPDF, NPU, and ADM continues a formal administrative tie while allowing for efficiency in decision-making and operations.

8. Describe fully the activities the registrant engages in or proposes to engage in on behalf of the above foreign principal.

The Nineveh Plain Defense Fund is to be organized as a nonprofit corporation of the State of Illinois with the goal to direct support from Americans and others throughout the world for the Nineveh Plains Protection Unit of Iraq in full compliance with the laws of the United States. The NPU are a local security force in the Nineveh Plain of Iraq originally sponsored by the Assyrian Democratic Movement and now recognized by the Government of Iraq.

9. Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act and in the footnote below? Yes  No

If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose.

While political lobbying is not the purpose of the Nineveh Plain Defense Fund, the Defense Fund intends to inform the executive administration of the United States and legislative members of Congress of its activities. The Defense Fund does not intend to provide any political contributions but may organize or participate in events in which others may collect contributions for political purposes.

The primary intent of the Nineveh Plain Defense Fund is not to engage in political activity. However, it is possible that in the performance of our mission we interact with officials of the United States Government and influence policies of the United States. The Nineveh Plain Defense Fund is supportive of policies that would provide financial, logistical, and training support directly to the Nineveh Plain Protection Units of Iraq as well as policies that would provide financial, logistical, humanitarian, and economic development support directly to the indigenous ethnoreligious minorities of the Nineveh Plains of Iraq and their non-governmental organizations.
