"Many Assyrians and the Christians no longer trust local forces, particularly the Kurdish Peshmerga troops, who some minority groups believe are keeping them from returning to their land so they can steal it.

"Some minority groups feel betrayed by the Kurds when ISIS seized their lands in 2014 and the Kurds did nothing to protect them.

"The Assyrian Christian told Mauro he only trusts the Nineveh Protection Units (NPU), a Christian militia that has received support from Baghdad and the U.S."
