The Nineveh Plain Protection Units are providing security in Baghdeda on New Year's Eve in anticipation of New Year celebrations.

The Nineveh Plain Defense Fund wishes Assyrians around the world a safe and happy new year, but particularly those Assyrians who have returned home in the Nineveh Plain and those who will continue to come home in 2019.

Your donations help make security in the Nineveh Plain by us for us and our return home possible. Please support the NPU:
