DISSEMINATION BY THE LIVINGSTON GROUP, LLC

FARA registration #6344

The Livingston Group (TLG) represents the San Francisco Zion Church (Church), an independent US church that is associated with the Shincheonji Church of Jesus, a Christian denomination founded in South Korea in 1984.

As in the 116th Congress, we are working to raise awareness of and encourage dialogue on the Shincheonji, and their treatment during COVID-19 as a religious minority and as predominately Asian-Americans.

Attached is a letter from the Church in which they request you prioritize religious liberty in the 117th Congress and provide a statement on religious liberty for your consideration.

The Church has been committed to helping in the fight against COVID-19. They have hosted blood drives, and have spearheaded donations for families impacted by COVID-19 and the California fires. The American Red Cross has acknowledged their dedication to recruiting, educating, and inspiring blood donors to ensure an adequate supply for patients in need (see certificate below).

The positive work the Church and other Shincheonji members throughout the US are doing in their communities should be acknowledged. A letter of encouragement from you highlighting their efforts would serve as an encouragement.

We would appreciate the opportunity to introduce you to our client. Thank you for your consideration.
