DISSEMINATION BY THE LIVINGSTON GROUP, LLC

FARA registration #6344

The Livingston Group represents the National Democratic Alliance (NDA), Armenia's largest pro-Western political party.

One of its senior leaders, Garo Yeghukian, a dual U.S.-Armenian citizen, is currently restricted from traveling from Armenia to the United States for medical treatment. He has written to US Ambassador Kristina Kvien advising her of his situation and requesting assistance (see attached).

Since 2009, Mr. Yeghukian has been active in promoting human rights and democracy in Armenia. Seemingly due to his political activism, the Armenian government under then-President Serzh Sargsyan issued criminal charges against him in 2016. Mr. Yeghukian has been subject to an ongoing eight-year trial based on these charges and subsequently denied the right to travel.

Mr. Yeghukian appealed his case to the European Court of Human Rights, which ruled in his favor and demanded the Armenian government provide him with a free, fair, and speedy trial, and to pay financial restitution. To-date, this ruling has been ignored.
