Hi Friends:

I hope you are well and surviving this crazy season!

We appreciate the congresswoman's support for HR 2106, The Partner with Korea Act; however, the boss' support has not been added to the cosponsor list.

Would you mind reaching out to either Omri Rahmil (Rep. Roskam, omri.rahmil@mail.house.gov) or Molly Claire Cole (Rep. Connolly, molly.claire.cole@mail.house.gov) to remind them of your help?

Pls let me know if you have any questions on the bill, KORUS or other issues of concern to the congressman. Again, many thanks for your help.

**Loon forward to seeing you soon!
Todd**
