		<p>Amedeo Modigliani is one of the greatest avant garde artists of all time and one of Italy's great treasures. To mark 100 years after his death, we're honoring Modigliani by presenting a special preview of the documentary "Maverick Modigliani" followed by a conversation with Margaret Parsons, Head of Film Programs at the National Gallery of Art, Valeria Parisi, Director of Maverick Modigliani and Screenwriter Arianna Marelli.</p> <p>The National Gallery of Art in Washington, D.C., is home to one of the great collections of Modigliani with twelve paintings, one sculpture, and one drawing.</p>
