Queen Nefertari's Egypt

Instagram

We are stepping back in time with @KimbellArt, @MuseoEgizio to explore ancient Egypt in "Queen Nefertari's Egypt."

Learn about the discoveries of Italian archaeologist, Ernesto Schiaparelli, including Queen Nefertari's tomb—the most richly decorated in the Valley of the Queens – and the village of Deir el-Medina, which reveals what daily life may have been like for the artisans who constructed Nefertari's magnificent tomb.

Italian Embassy

12/6 The exhibition, supported by @ItalyinUs and @ItalyinHouston is on display now through March 14, 2021. Don't miss out!
