					<p>In architecture, like in many other professions, women are key to the economic advancement of communities. The post-pandemic world has shown that their contribution is not just fair by principle, but it is also—and most importantly—necessary.</p> <p>Today, on the occasion of the 6th edition of the Italian Design Day, the Embassy of Italy in Washington DC and @iicwashingtondc, in cooperation with the Jefferson Italy Center at @JeffersonUniv, present a webinar dedicated to women's perspective on urban regeneration.</p> <p>Join the webinar at 12:10PM EST TODAY https://iicwashington.esteri.it/iic_washington/it/gli_eventi/calendario/2022/03/webinar-italiche-women-s-perspective.html</p>	March 23 FB Graphic
