| | 12:00:00 PM | Posted | GLOBAL | FEED | <p>Happy Europe Day! On this day in 1950, French foreign minister Robert Schuman presented the Schuman Declaration, which outlined new ideas for political cooperation between European countries. This proposal is considered the beginning of what became the European Union, and we celebrate the anniversary each year at #EUOpenHouse with @euintheus! Check out these photos from previous years and get excited to join us on May 14 from 10am-12pm.</p> <p>The Embassy of Italy in the US 3000 Whitehaven St. NW Washington, DC 20008</p> | EU 1-4 |
