

I am currently working with The Livingston Group in representing the Democratic Republic of Congo. Bob Livingston and I would like to bring the former Democratic Republic of Congo (DRC) Foreign Minister, Raymond Tshibanda; the Special Advisor on Sexual Violence and Child Recruitment, Jeanine Mabuna; and the DRC Minister of Public Health, Dr. Oly Ilunga, to meet with Congressman _____.

Minister Tshibanda is serving as DRC President Joseph Kabila's Special Envoy to the US. He is also President of the Liberal Christian Democrats Union political party. Minister Tshibanda would like to discuss the DRC government's commitment to the Catholic Church-brokered political transition process which includes elections. In addition, he will discuss potential future economic cooperation and opportunities for American business in the DRC, as well as the current outbreak of Ebola. I have attached his bio above.

Ms. Mabunda has promoted a zero- tolerance policy for sexual violence in the DRC. She has encouraged military leaders to become part of the solution and to take responsibility for eradicating a culture of impunity. Evidence of this effort's success is the recent conviction of senior military leaders, including General Jerome Kakwavu for sexual crimes. Her efforts have received international recognition. I have attached a bio above.

Minister Dr. Oly Ilunga Kalenga is a graduate of the Harvard School of Public Health, as well as the Harvard Business School's program in Health Delivery Management. Prior to his return to the DRC as Minister of Public Health, Dr. Oly Ilunga Kalenga served for over two decades at the Cliniques de l'Europe in Brussels. He currently leads the DRC effort to contain Ebola.

THE DLM GROUP PROVIDES REPRESENTATION FOR THE GOVERNMENT OF THE DEMOCRATIC REPUBLIC OF CONGO, THROUGH SOUTHFIVE STRATEGIES. ADDITIONAL INFORMATION IS AVAILABLE AT THE DEPARTMENT OF JUSTICE, WASHINGTON, DC.
