Morning [REDACTED]

Hope you guys are back safely and had a good rest of your trip. I'll be on the Hill on Mon for a meeting at 11 on the Senate side. Any chance you guys could meet at 12 for a debrief on your visit?

Also [REDACTED] I understand there was a question regarding refrigeration capacity in Yemen during your meeting with Dr. Gargash before your trip. H.E. Reem AlHashimy followed up on the issue (perhaps you also raised it with her in Abu Dhabi) and received a response from Lise Grande today confirming that they re-checked refrigeration with the GoY, the NGOs and specifically, with health officials. There does not seem to be a gap for the cold chain or for general refrigeration requirements. They also confirmed there is no gap in refrigeration storage.

Please let me know about Monday or if there are other times during the week that work better for you and [REDACTED] I'm still on crutches for a few more weeks and hope to have an answer today on whether I'll need surgery or not, so things may change.

Warmest,
Hagir
