<sup>2</sup> The term "foreign principal" includes, in addition to those defined in Section 1(b) of the Act, an individual organization any of whose activities are directly or indirectly supervised, directed, controlled, financed, or subsidized in whole or in major part by a foreign government, foreign political party, foreign organization or foreign individual. (See Rule 100(a) (9)). A registrant who represents more than one foreign principal is required to list in the statements he files under the Act only those principals for whom he is not entitled to claim exemption under Section 3 of the Act. (See Rule 208.)

<sup>3</sup> The Exhibit A, which is filed on Form NSD-3, sets forth the information required to be disclosed concerning each foreign principal.

<sup>4</sup> The Exhibit B, which is filed on Form NSD-4, sets forth the information concerning the agreement or understanding between the registrant and the foreign principal.

#### **III - ACTIVITIES**

11.	During this 6 month reporting period, have you engaged in any activities for or rendered any services to any foreign principal named in Items 7, 8, or 9 of this statement?  Yes  No
	If yes, identify each foreign principal and describe in full detail your activities and services:
	ANO TV-Novosti. Registrant produces news and talk show television programs. The programs are predominantly distributed by ANO TV-Novosti through its RT television channel and its Internet-based platforms. Registrant is related through Mr. Solodovnikov's common ownership to T&R Distributions LLC (a DC-registered business), which contracts with ANO TV-Novosti to secure a small number of distribution agreements with U.Sbased companies. (A Short Form Registration is being filed for T&R Distributions LLC simultaneously with this Supplemental Statement.) The activities of T&R Productions entail routine journalistic efforts of filming and producing television shows. T&R Productions LLC believes it does not contact U.S. government officials or U.S. media representatives to lobby them about U.S. Government policies or interests or the policies or interests of any foreign government. A list of contacts with U.S. Government officials or media representatives is attached to demonstrate the normal journalistic functions of Registrant (See Attachment 1).
12.	During this 6 month reporting period, have you on behalf of any foreign principal engaged in political activity <sup>5</sup> as defined below?
	Yes □ No ⊠
•	If yes, identify each such foreign principal and describe in full detail all such political activity, indicating, among other things, the relations, interests and policies sought to be influenced and the means employed to achieve this purpose. If the registrant arranged, sponsored or delivered speeches, lectures or radio and TV broadcasts, give details as to dates, places of delivery, names of speakers and subject matter.
•	"No" answer reflects registrant's belief that the purpose of T & R Productions LLC is to produce news, talk show, and entertainment programs that are balanced journalistic endeavors designed merely to inform viewers, not to influence U.S. Government officials or the U.S. public about changing U.S. policies. Programs produced cover a broad range of news and talk show topics and reflect balance regarding commentary. There was one meeting on January 29, 2018, where Mr. Solodovnikov met with representatives of the Executive Committee of the Congressional Press Galleries to urge reversal of their decision to rescind press credentials; but that involved a party-specific dispute.
Ĩã.	In addition to the above described activities, if any, have you engaged in activity on your own behalf which benefits your foreign principal(s)? Yes \(\Boxed{\square}\) No \(\Boxed{\square}\)
-	If yes, describe fully.

<sup>5 &</sup>quot;Political activity," as defined in Section 1(o) of the Act, means any activity that the person engaging in believes will, or that the person intends to, in any way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting or changing the domestic or foreign policies of the United States or with reference to political or public interests, policies, or relations of a government of a foreign country or a foreign political party.
