

**THE GOVERNMENT OF KOSOVO
THE OFFICE OF PRIME MINISTER
Mr. Albin Kurti, Prime Minister**

Dear Mr. Prime Minister,

Let me congratulate you on your election.

Improving the economic and social wellbeing of citizens is one of the important tasks ahead of you and your government.

I am sure that every citizen in our region, especially the young ones, are seeking stable and prosperous societies where their talent, knowledge and skills would be acknowledged and respected, and which will enable them to create bright future for themselves.

In our cooperation with the Kosovo Chamber of Commerce, we have raised the issues that create obstacles for business people from Kosovo and Serbia to work together in developing our economies. We have created relations based on respect and trust that has been a bedrock, which motivated other chambers of commerce from the Western Balkans to establish the Chamber Investment Forum. In doing so, we have demonstrated that only through open communication and recognition of each other's interests and opinions we can advance as a region.

Dear Prime Minister, I am sure there are a lot of topics we can discuss, and I would be honored to have the opportunity to present you the work we have done in the past five years to improve the economic prospects for Kosovo, Serbia and the entire region.

I wish you and your team successful work.

Sincerely yours,

Marko Čadež

President, Chamber of Commerce and Industry of Serbia
President of the Management Board, Western Balkan 6, Chamber Investment Forum
