Michael—As we have discussed, Morrison Public Affairs Group will prepare draft legislative language for a provision to assist Irish undocumented in the U.S. to gain work and travel authorization in “deferred action” status in recognition of a package of reciprocal measures to benefit Americans now or in the future resident in Ireland.

The fee for this work is a lump sum of \$7500 payable on acceptance of this proposal. The work will commence immediately on acceptance with the goal of producing an initial draft soon after Thanksgiving.

Please let me know if this is acceptable. I look forward to completing this project for the Embassy of Ireland. Thanks.--Bruce

Michael—The best arrangement for me to help you in the immigration effort (E-3 or whatever better comes along) would be an ongoing monthly retainer. That would involve regular consultation, development of strategy, and execution of that strategy through meetings on the Hill, etc. It would include tapping into the grass roots network and regular accountability calls with them. Funding could be done directly or through a group, like AOH or CIIC.

A reasonable (below market) fee would be \$7500 per month, initially for 4 months starting December 1, and then month to month thereafter. Under such an arrangement, I would do all the drafting you ever need, along with all the strategic and lobbying assistance.

If that is too much to take on at first (or ever), I can do the E-3 drafting, advising and interpreting to Hill staff, along with any drafting of a more general legalization measure, if that is required, for one \$7500 fee. But the key to success is in the strategy and the organizing of political pressure, not just the legal aspects of the language.

Just let me know how you want to proceed. I can do a more formal proposal once you decide how to proceed. And we can proceed on a handshake while the paperwork is getting done, if we have an understanding.

Thanks for the invitation to make this proposal.—Bruce
