I know Ambassador Paul will be in the Marshall Islands but we can still work out a late afternoon time.

I'll check with Ambassador Kyota as well.

Happy almost Holiday season!

With the upcoming (tentative until officially noticed) hearing date of January 14th, we would like to schedule some time to chat with the Ambassadors in the lead-up to the hearing. Could you provide some windows of availability for the days of the 6th, 7th and 8th?

With a CR finally enacted, and people who weren't working, starting to, do you know/think the hearing will be Dec. 2 or another date? (I imagine that there are many hearings waiting for dates.) Thanks much, Jeff
