Wunderbar Together

 WUNDERBAR TOGETHER WEDNESDAY, FEBRUARY 20, 2019

Wunderbar Together is a year-long festival celebrating Germany's close friendship to the United States. The celebration highlights the strong relationship between our two countries, which is rooted in deep historical ties, shared values, and bold visions for the future.

"Wunderbar Together" means the U.S. and Germany are better as friends. Our partnership has made both countries stronger over time and will continue to shape our futures. This initiative is an opportunity to renew and preserve our friendship and to develop a new shared perspective on important issues. Together, our countries can tackle global challenges together through a renewed focus on transatlantic dialogue and cooperation.

People are at the heart of the US-German relationship, which is why in 2019, we will bring together more than 200 partners across all 50 states, who will host more than 1,000 events in local communities.

Join us in the Wunderbar Together celebration of the German-American friendship!

Wunderbar Together

From now until the end of 2019, Germany will be celebrating a year of German-American friendship knowing that the United States and Germany are Wunderbar Together — stronger as friends and partners.

With this initiative, we are focusing on our robust relationship, rooted in deep historic ties, shared values, and bold visions for the future. We are also recalling how after the end of World War II, transatlantic partnership ushered in a unique era of peace, freedom, and security. For us Germans, the United States remains our closest partner outside Europe.

Our friendship with the United States means a lot to us, as we know it does to many Americans. That is why people will be at the heart of this year of German-American friendship. Over the coming months, we would like to renew the dialogue with our American friends about the importance of our relationship and how we can shape it for the future. As we face shared challenges and societies become more divided, we must build more — and stronger — bridges between our peoples.

Working with over 200 partners, we are showcasing our close bonds in over 1,000 events in all 50 states. We are painting a picture of everything German-American relations stand for, including science, the arts, culture, language, business, and sports. We want to create an exchange of ideas with all Americans, not only in New York, Washington D.C. and Los Angeles, but also in the heart of the country.

Wunderbar Together is a comprehensive and collaborative initiative funded by the German Federal Foreign Office, implemented by the Goethe-Institut, and supported by the Federation of German Industries (BDI).

We are looking forward to Americans across the country joining our celebration and telling the stories at the core of German-American friendship.
