CGTN America is the Washington news bureau of CCTV. CCTV, through a division it has named the China Global Television Network ("CGTN"), offers multi-language news channels internationally, including a 24-hour English-language news channel that is broadcast to over 100 countries, including the United States. CGTN America is a unit within CGTN and works in tandem with CGTN news bureaus in Nairobi and Beijing to produce news reports and other programming for the 24-hour English-language broadcasts. CGTN America performs news gathering and reporting activities like those performed by other Washington news bureaus, including those of other foreign news organizations that broadcast or publish in the United States.

8. Describe fully the activities the registrant engages in or proposes to engage in on behalf of the above foreign principal.

As stated in response to item 7 above, CGTN America is the Washington news bureau of CCTV/CGTN and works in tandem with CGTN news bureaus in Nairobi and Beijing to produce news reports and other programming for the 24-hour English-language broadcasts. CGTN America performs news gathering and reporting activities like those performed by other Washington news bureaus, including those of other foreign news organizations that broadcast or publish in the United States. CGTN America engages a large team of highly-qualified professional journalists and editors who are responsible for producing CGTN America's news programs.

9. Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act and in the footnote below? Yes  No

If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose.

As explained in regard to item 11 in CGTN America's Registration Statement, the Department of Justice's FARA Unit has stated that "'bona fide news or journalistic activities' are not exempt from the statute's [i.e., FARA's] reach unless they are undertaken by organizations in the United States that are controlled by U.S. citizens"; and that "the registration requirement does not depend on the accuracy of reporting, or the viewpoint (or viewpoints) expressed," but it does depend on whether the organization "intends to influence the American public and policy makers on relevant topics" (termed "political activities" in FARA), "regardless of whether it is also 'balanced' or aims to balance reporting by other networks." In light of these considerations, the FARA Unit has concluded that CGTN America engages in "political activities" as defined by FARA.
