6. Representations, Covenants and Warranties

CLIENT represents that any of LEVICK's work product performed under this agreement or any SOW will not be used for purposes that are, or in a manner that is, out of compliance with any applicable law or regulation. CLIENT further represents that it will not utilize LEVICK's Work Product(s) and the results of LEVICK's Professional Services in a manner that reasonably could be expected to materially infringe upon the trademarks, service marks, copyrights, patents, trade secrets, or other intellectual property owned or held by any other party or violate the applicable privacy rights of any other party. CLIENT represents that it will not violate any third party rights or duties (such as intellectual property rights and non-solicitation obligations) in providing any information or materials to LEVICK for use by LEVICK in any of LEVICK's Services hereunder and that it will comply with all pertinent laws and regulations related to this Contract.

LEVICK further represents that it will not, directly or indirectly, in the name of, on behalf of, or for the benefit of LEVICK or CLIENT, offer, promise, or authorize to pay any compensation to, in fact pay any compensation to, or give anything of value to, any official, agent, or employee of any government or governmental agency, any political party or officer, employee, or agent thereof, or any candidate for political office in any circumstance that could reasonably be foreseen to violate an applicable law. In addition, LEVICK represents that it will take steps to require each of its members, employees, and agents to comply with the provisions of this covenant.

To the extent to which any SOW calls for the creation or placement of online content, LEVICK shall have no liability to CLIENT for any failure of any website to place content or advertising as sold, downtime of any website on which content is placed, incorrect or non-functioning hyperlinks, or mistakes in placement, timing, or banner rotation of any online advertisement or content to the extent such mistakes are the sole fault of a third party platform. For example, should LEVICK place an advertisement with Facebook, but Facebook's platform contains bugs or experiences an outage that impacts ad placement, such shall not create liability for LEVICK.
