What makes the #MateBook14 so compelling? According to @TechRadar it could be that "this thin and light beauty is packed with the latest U-series processors and enough RAM and SSD storage to keep it competitive."

Huawei MateBook 14 review
A killer flagship value

Media Statement Regarding Huawei CFO's Extradition Case in Canada

2019-05-08

From the outset, Huawei has expressed confidence in Ms. Meng's innocence. We have maintained that her U.S.-ordered arrest was an unlawful abuse of process – one guided by political considerations and tactics, not by the rule of law.

Today in court, lawyers for Ms. Meng made three new and important disclosures.

First, the criminal case against Ms. Meng is based on allegations that are simply not true. To the contrary, it was made clear in court today that business activities by Ms. Meng were conducted openly and transparently
