Huawei Twitter and Facebook July 24 – 26

Policy and innovation go hand in hand. #5GfutureSM

Innovation has to be in policy. It has to have everything built in from security and risk management to competition.

- Mohammad Madani, VP of Huawei’s Global Wireless & Cloud Core Networks Solutions

ICT’s contributions to keeping people safe & saving lives during the pandemic have been monumental. Find out more about its social value & the various innovative applications at Huawei’s #BWS20 summit. Stay tuned for details.
