The image is a screenshot of a social media feed, likely from LinkedIn, showing three posts from Huawei. The top post is a video player with a thumbnail showing a document titled "Economic and Technological Impact" and a "Download Now" button. The video player shows a progress bar at 0:08 / 0:25. The second post is from "Huawei" and is dated "Yesterday at 12:00 AM". It features the text "#Huawei's NEW Global Connectivity Index 2020 includes:" followed by two bullet points: "Latest global ICT trends & insights into the new normal" and "GCI scores & stats across nations worldwid... See More". It has 3 likes and options for "Like", "Comment", and "Share". The third post is from "Huawei USA" and is dated "Yesterday at 11:23 AM". It features the text "#Huawei's Global Connectivity Index report provides insights into the latest global ICT trends & how nations are performing in terms of ICT maturity based on 40 indicators spanning 4 tech enablers: broadband, cloud, IoT & AI. See 2020's results: <https://tinyurl.com/GCI2020FB> #GCI". Below the text is a graphic with the title "Shaping the New Normal with Intelligent Connectivity" and the Huawei logo. It has 4 likes and 1 comment, with options for "Like", "Comment", and "Share".
