Congrats Girls Who Code! Looking forward to the this next chapter!

 **Dr. Tarika Barrett** @DrTarikaBarrett · Apr 5

Today is my first day as CEO of @GirlsWhoCode. I know firsthand the system isn't designed to support women & girls in tech, and especially women & girls of color. I'm honored to build upon the amazing foundation @ReshmaSajani has laid to close the gender gap in tech — for good. [twitter.com/GirlsWhoCode/s...](#)
