Infini

With Infini meaning "Limitless Possibilities", Chef Urvin wants to offer dishes made without boundaries, exploring new possibilities and stepping with two feet outside the box. A chef's table concept where diners and staff are able to interact throughout the evening, channeling through a story guided by the menu.

EVER Restaurant

Chef Ever de Pena and Chef Teddy Bouroncle have teamed up to offer an exclusive chef's table experience with a speakeasy vibe in downtown Oranjestad. The sale à manger

setting accommodates 14 guests gathered around the open kitchen for an early-bird four-course experience, or the full seven-course experience offered later in the evening. Foodies can look forward to an intriguing pairing of not just wine and bubbles, but also craft cocktail and craft beer pairings.

Fred Royal Aruba

At Fred, Chef Roy Engelen presents a 3.5 hour culinary experience with five courses and an optional wine tasting experience for 17 guests at their U-shaped high-top bar.

2 Fools and A Bull

The 2 Fools (as they call themselves), Roger and Erwin, offer a unique atmosphere in a restored old Cunucu House that gives guests the feel of fine dining at home. At their U-shaped bar, 17 guests enjoy 5 ½ outside-the-box courses that includes Champagne upon arrival and a lemon Champagne cocktail in between courses.

Koal

One of the newest chef's table experiences in Aruba, Koal is located a vintage setting in a historic monument building in the heart of downtown Oranjestad's historic district. Sixteen guests are seated around the open kitchen as Aruban-born Chef Albert Raven

showcases his flair over a five-course dinner. Chef Albert has spent the past few years working in premier kitchens in the Netherlands, Germany, the United States, Abu Dhabi, and Dubai and showcases his global knowledge and international flavors with his chef's table experience.

Senses Fine Dining

Senses, formerly located at Bucuti & Tara Beach Resort, recently relocated to Radisson Blu in Palm Beach and welcomes 16 guests to enjoy an exclusive chef's table experience prepared by Chef Kelt Hugo Maat and hosted by Maitre d' Bas Kruisselbrink. Senses also offers a chef's table-style, four-course brunch Monday through Friday and separate a la carte dining for lunch and dinner.

The Journey

The Journey features a five-course, chef's table experience with an optional wine pairing. Located at De Olde Molen, the iconic Dutch windmill in Palm Beach, twenty guests seated at stand-alone tables have a tasty view of Chef Patrick Van der Donk highlighting classic French preparations expertly melded with touches of Caribbean and international flavors.
