Hi [REDACTED] -

Now more than ever, people are opting for their furry friends as their travel partner of choice. In fact, [58% of individuals would rather have their pet alongside them](#) than a friend or family member. In honor of National Dog Month (August) and National Dog Week (September 24th - 30th), wanted to share dog-friendly hotels on the One happy island to celebrate the holiday or enjoy year round.

Anyone can now picture themselves walking along Aruba's pristine shores, knowing that their dog can enjoy the same pampering experience as they can.

Aruba is home to several pet-friendly hotels visitors can choose from, see below for a list of some of them! Is this a fit for coverage? Let me know any questions as you consider this story.

Thanks!
