Subject: Discover Some of the Best & Hidden Gem Beaches in Aruba

Hi [REDACTED],

Going to the beach is a popular vacation pastime - which makes it tough to find one that isn't over crowded.

The One Happy Island of [Aruba](#), renowned for its pristine beaches and crystal-clear waters, boasts over 40 stunning beaches across its nearly 70-square-miles of paradise. While Eagle Beach and Palm Beach are undoubtedly two of the most popular beaches on island, there are many secluded spots that offer unique experiences for those seeking tranquility or even water adventure.

Please find below a list of these hidden gem beaches that offer beautiful views without a packed crowd. See assets [HERE](#).

Would this be a fit for your upcoming coverage? Let me know if you have any questions!

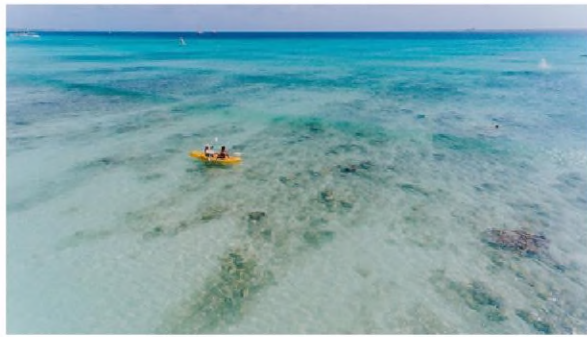

Best,
