Wedding Venues

The island of Aruba offers the best Caribbean wedding venues. Exchange vows with your toes in the sand, say "I do" inside a chapel on a hilltop, share a first dance swaying palms of a seaside resort. There are many choices for Aruba wedding venues.

World-Class Wedding Planners

Aruba offers customized and personalized

weddings by wedding planners and resorts, unlike cookie-cutter wedding packages found in other Caribbean locations.

Certified and attentive hotel and independent wedding planners are available to help plan every detail of the couple's dream destination wedding.

Local Aruban Touch

A delicious (and healthy) local drink that will add refreshing authenticity to your island wedding is coconut water. Sipped fresh right out of the coconut, you and your guests will love this local tradition weaved into your wedding celebration.

Your wedding planner can arrange to have one of the island's coconut aficionados at your event, chopping and cracking coconuts to order on site.

Memorable Moments

Aruba offers unending opportunities for excursions and experiences that are perfect for couples to enjoy together.

Enjoy several low-impact activities together such as kayaking, paddleboarding, hiking, snorkeling and more.
