Hi [REDACTED] –

My pleasure and thank you for accepting the embargo!

Candice and fellow actor Steven Krueger got engaged in May 2025 and are now (confidentially) expecting their first child together. As they prepare for this next chapter, the couple just visited Aruba for her babymoon - a perfect opportunity to slow down and recharge.

Following the trip, she will be speaking to media about this exciting news for the **first time**, and we'd love to offer you the opportunity to be one of the first to interview her about her announcement and her babymoon experience!

She is available for a 15-minute interview via Zoom (camera TBD), phone, or email on **December 4th and 9th**.

She can speak to:

- The importance of slow travel and her approach to slowing down and prioritizing wellness before becoming a mom
- Behind the scenes of her new projects, including the renewed second season of *We Were Liars*
- Finding balance in the entertainment industry while preparing for motherhood
- Her favorite travel rituals, from how she resets on vacation to what makes Aruba such a perfect recharge spot for a babymoon

Let me know if you are interested and I'm happy to help coordinate next steps!

Best,
[REDACTED]
