📅 January 22, 2024

SRNA reports:

The European path is the only way BiH can move forward, said the President of Republika Srpska Milorad Dodik, stressing that Republika Srpska remains a constructive partner in all processes on BiH's path to the EU.

Dodik stressed that this time Srpska is going with the confidence that the representatives of the "troika" will remain committed to the common goal in connection with which there is a consensus of all parties, and that is the European path.

SRNA further reports

According to [Dodik], Republika Srpska wants the Federation to function equally successfully, to get a budget, to get things started, to work on projects in both parts, to cooperate and respect each other. "I want to believe that successful cooperation based on mutual respect is possible and that the effort shown by all representatives of the parties in power will be recognized by the EU as well."
