Eichhorst warns time is running out for Bosnia to adopt three key laws – N1

📅 February 7, 2024

During a visit to BiH, the Director General for Europe at the EU External Affairs Service (EEAS), Angelina Eichhorst signaled the EU's support for implementation of the Laktaši Agreement reached last month by the parties represented on the BiH Council of Ministers. In an interview with N1, she said:

Frontex – negotiations need to start and this is important as the next step of the accession and three key laws – the Law on Prevention of Money Laundering and Terrorist Financing, the Law on Conflict of Interest and the Law on Courts. A lot of discussions were held about it, we know that there was also a meeting of the coalition leaders and we hope that this will be adopted.
