Kristo: Schmidt decree is "most fatal for the independent and sovereign Bosnia and Herzegovina" – N1

📅 March 27, 2024

N1 reports:

Speaking of the [Christian Schmidt's] decision to impose technical changes to the Election Law, Kristo said that "imposing an extensive international supervision of 114 amendments is incompatible with the European future of BiH," [echoing the stance of Brussels on the matter](#).

Furthermore, Kristo said that [Schmidt's] move is "most fatal for the independent and sovereign Bosnia and Herzegovina, given the fact that this is the Law on which the democratic system rests and which is, after the Constitution of BiH, the most important legal act."
