Dodik questions coalition partners on role of Schmidt in Bosnia's governance – N1

📅 November 27, 2024

Republika Srpska President Milorad Dodik said regarding recent talks among BiH-level partners, "At the meetings in Banja Luka and East Sarajevo, we demonstrated that we are capable of reaching agreements on many issues when we think and decide for ourselves, respecting the Constitution and jurisdictions, and taking into account the interests of all three peoples."

N1 reports:

Dodik urged his coalition partners to clarify who holds the power in Bosnia and Herzegovina. "The time has come for all partners to clearly state who is in power in BiH. Is it us, or is it Schmidt? If it is us, as the legitimately

elected representatives of the people, then everyone must clearly and unequivocally reject all kinds of impositions. No one can afford to remain silent anymore," Dodik insisted.
