Dear Laura,

The 'Trader Tracking' table is based on Bunge's most updated grievance log. We are sharing it with you in case you would like to provide feedback on it before it is published. Please let me know if you have any comments on the categorization of each grievance in our table.

Best,

Hi Chiara,

Unless there is significant urgency to discuss something this week, next week would work best for our team- we could be available any day Monday-Thursday at 10amEST

Hi Chiara, thank you for reaching out and exciting that you are interested in collaborating around Cargill. This week is a little challenging for our schedules but we may be able to find a time that works- what time zone are you in?

Best,  
Lucia
