Dear Nasuha,

It's good to hear from you again, since it has been a while since the Rapid Response team has received emails from you.

Regarding the Samling case, based on Cargill's grievance log, we assume that Cargill is sourcing from Samling via Wilmar and IOI. Is this still the case?

Regarding the AEP case, based on Cargill's grievance log, we assume that Cargill is sourcing from AEP via Wilmar and Musim Mas. Is this still the case?

Best,
