Subject: Re: worddoc version of CGF letter?

Hi Robin,

Not to worry, totally understand- everyone is in flux right now so delays are expected. So far none of the original signatories have responded saying they are unwilling to sign onto this follow up but I defer to your understanding of the coalition dynamics here! Ideally we can get this letter out before the end of the month, so that we have time to escalate campaign pressure and corporate engagements before the CGF meeting in June. When you send your edits could you also provide the worddoc of the original so I can easily format?

I hope all is well and your teams are staying healthy and balanced

Cheers,
Lucia
