Rusty –

It was great reconnecting with you today. As mentioned on the phone, I would be interested in learning more about possible opportunities at the University of Michigan for our efforts. To give you a better idea of the Vision 2030 Plan mentioned on the phone, here is a link that provides more information: https://vision2030.gov.sa/en

Please let me know if you have any additional questions, or thoughts. Alternatively, please let me know if there are others at the University should reach out to directly on this.

I look forward to working with you on this opportunity!

Thank you,
