Response to Item 10

Question 10: Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act. If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation or dissemination of informational materials

I am going to work with Congressional Staff on both sides of the political spectrum. I will work with any Congressman or Congresswoman who is willing to advocate for the USAID agency to convert more humanitarian aid into development aid to help Somalia become more self sufficient and also push for Somalia to get their debt to the U.S. forgiven. I am willing to work with any MN state senator or representative and/or staff of the Governors office to help get the Somali Ambassador a meeting with the Governor of MN to help get Somalia on the exchange program for the state guard if they meet the requirements for exchange.
