**Re: Engagement to Provide Legal Counsel to the Embassy of the State of Qatar,
Washington, D.C. – Special Projects**

Dear Sir:

This letter confirms the engagement of Waltham PLLC and Mr. Dean M. Dilley to provide legal counsel to the Embassy of the State of Qatar in Washington, D.C., for the special projects defined below.

This engagement replaces and supersedes the engagement of Squire Patton Boggs LLP for such projects, effective on December 15, 2019, when that firm resigned from representation of the Embassy of the State of Qatar. The compensation terms in this replacement engagement are unchanged from the previous engagements for these projects.

Waltham will provide legal advice to the Embassy in connection with the following matters:

1. **Qatar Harvey Fund**: Legal advice regarding gift agreements, contracts, and related transactions to assist victims of Hurricane Harvey, including audit oversight and reporting, and legal assistance to the Qatar Harvey Fund operational team. Compensation shall be at the rate of \$785 per hour, plus expenses; provided that no more than 15 hours will be recorded in a single calendar month except upon prior written approval from Embassy.
2. **1045 Bellview Road, McLean, Virginia**: Legal advice to Embassy and liaison with Fairfax County concerning property owned by a Qatari national. Compensation shall be at the rate of \$890 per hour, plus expenses.
3. **Broidy Capital Management, LLC et al. v. State of Qatar, et al., and related cases**: Advice to Embassy and oversight of legal counsel appointed to represent the Embassy in defending the foregoing matters. Representation shall not include entry of appearance in the court proceedings. Compensation shall be at the rate of \$890 per hour, plus expenses.

In addition to the foregoing matters, Waltham will provide legal advice to the Embassy in connection with the following new matter:

- 4. **Qatar Year of Culture 2021:** Legal advice to Embassy concerning contracts, agreements and operational issues in connection with the Embassy's participation in the Qatar Year of Culture 2021. Compensation shall be at the rate of \$890 per hour, plus expenses; provided that no more than \$10,000 will be invoiced in a single calendar month, except upon prior written approval from Embassy.

For the avoidance of doubt, these engagements do not include lobbying work.

Fees and disbursements for these special projects will be invoiced monthly, and payments are due on the last business day of each calendar month. The first invoices may include unbilled fees and disbursements for work performed since December 15, 2019.

Payments by the Embassy under this engagement shall be made to my firm, Waltham PLLC, by electronic funds transfer.

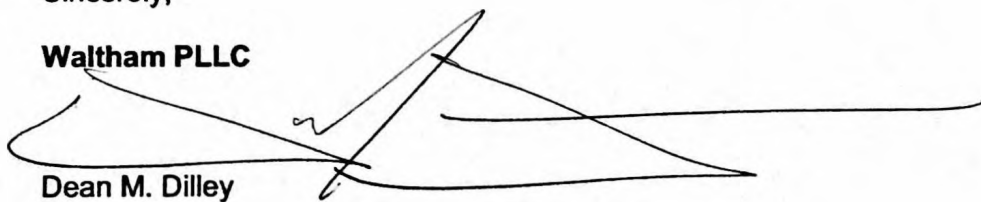

Nothing in this engagement letter shall alter or amend the terms of engagement dated December 16, 2019 between the Embassy and Waltham PLLC, which addresses work unrelated to these special projects.

In performing the legal services described by this engagement, we agree that I am subject to the Rules of Professional Conduct of the Washington, D.C. Bar, and that I will comply with all applicable laws, including registration under the Foreign Agents Registration Act, if required.

I look forward to working with the Embassy.

Sincerely,

Waltham PLLC

Dean M. Dilley
