

Hello XXX,

I wanted to share with you a new investigative piece by The Daily Beast: [Right-Wing Media Outlets Duped by a Middle East Propaganda Campaign](https://www.thedailybeast.com/right-wing-media-outlets-duped-by-a-middle-east-propaganda-campaign) [<https://www.thedailybeast.com/right-wing-media-outlets-duped-by-a-middle-east-propaganda-campaign>]. It's based on research by [Marc Owen Jones](#), a social media analyst and an assistant professor at Hamad Bin Khalifa University, a university in Qatar Foundation's Education City.

Let me know if you'd be interested in connecting with Marc to discuss the findings as well as the broader issue of fake news, propaganda and social media.

Marc's work focuses on disinformation campaigns, online bots and strategies of informational control used by state and non-state actors. He can also speak about disinformation as relates to the COVID-19 and the U.S. election season.

Thank you.
