

Re: Invite: Key questions about rollout of COVID-19 vaccines

Hi X,

I wanted to follow up on your interest in attending this virtual panel taking place this Wednesday, February 24th hosted by Qatar Foundation's Education City Speaker Series. The discussion will focus on the development of COVID-19 vaccines, questions surrounding the new variants of the virus and the efforts needed to combat and avoid future waves of infection.

I would also be happy to connect you with a panelist for an interview if you are interested in speaking with anyone for a story. I have included a full invite below.
